# Netball North Field Day 2010

August 2010

The Netball North Field Day was held at the Whangarei Netball Centre on Sunday, 8 August 2010. The Field Day involves representative teams from all the netball centres within the Netball North region including North Har-

bour, Hibiscus Coast, Kaipara, Rodney, Whangarei, Northern Wairoa, Kerikeri, Bay of Islands and Mangonui. Representative age groups participating include Year 7, Year 8, Year 9, Under 15 and Under 17. Luckily despite the weather predictions they had a reasonable day weather wise which allowed some good netball to be played. The results were as follows:

The day was a win fest for the Netball North Harbour teams with them taking out every age group.

The final between Netball North South and North Origins was a highlight of the day with some athletic, aerial, energetic, highly skilled and fast netball on display. At times the ball see sawed from one end to the other with some amazing intercepts. However, the South team overall showed more discipline and were the eventual winners. In all the other finals the Netball North Harbour teams were more systematic in their play, showing polish in their set movements and more confidence in their shots.
